Dear Customer:

Enclosed with this letter is the most comprehensive catalog our company has ever issued. We believe that, coin for coin, this offering is the most quality laden price list presented to the collecting community in recent years. We have travelled thousands of miles, inspected tens of thousands of coins, and spent hundreds of man hours in recent weeks to buy most of these coins.

Although many of our prices may seem high, even considering the outstanding quality of the items, it is our sincere belief that these prices will pale by comparison in a few short years. Most of the coins here are indeed one-in-a-thousand, and truly represent the *creme de la creme* of the coin market.

Traditionally, it has been a practice to offer a once a year, post ANA convention discount to our customers. Considering the present state of the market, we are reasonably sure we could sell most of these coins without authorizing a discount. However, we have decided to continue this long standing tradition and reward you for your loyal and continued support. Therefore, the following discounts are applicable.

Total Purchase	Discount
over \$500	5%
over \$1,000	10%

Discounts are applicable on all orders postmarked no later than September 12.  
Discounts are not applicable to Commemorative Halves and Commemorative Gold.

Sincerely,

Steve Ivy

SI/jmd

P.S. These coins will sell very quickly. We urge you to call and reserve your selections on orders over \$500. Please list your second and third choices. Don't forget to utilize our free 90 day layaway plan.

# Steve Ivy Rare Coin Company

Dear Customer:

Welcome to our biggest and best Rare Coin Catalog ever!

Two very important events have combined to make this catalog a very special source of high quality U.S. coins:

First, a week of steady and determined effort at the American Numismatic Association's convention in St. Louis enabled our buyers to add a million dollar's worth of carefully selected coins to our already outstanding inventory. Less than one-half of one percent of the coins we examined offered the quality *and* value that we want for our customers. Selecting from this catalog is like picking the best of the entire ANA convention!

Second, upon our return to Dallas, we were delighted to receive the news that we had purchased a major collection for which we had been negotiating for some time. We especially wanted this collection because of the unbelievable quality it contained. The assembler was quite knowledgeable and particular; in fact, he bought many of his best pieces from us. We stopped the presses on this catalog so that we could offer you the hundreds of fantastic coins included in our purchase.

Remember that Steve Ivy Rare Coin Company offers quality *and* value. We purposely have emphasized superb quality (MS (67) or better) in our buying strategy for years. Our efforts have never been rewarded so fruitfully as in the last month! This catalog personifies what we believe the sophisticated collector and investor of today desire and demand from a major dealer — the ability to obtain superb quality material, and to deliver that quality at a competitive price.

The inordinate number of superb quality coins listed herein represent a combination of circumstances that may not be repeated in a lifetime. Almost all items are one-of-a-kind, of course, so please list alternate choices when possible. Also, be sure to utilize our toll-free WATS line to reserve your selections.

Sincerely,

Ron M. Howard

Rare Coin Department

# The rare coin market is alive and well.

With the rare coin market in the midst of an unprecedented boom, all eyes were focused on the 1979 A.N.A. show and three July auctions containing well over ten million dollars worth of rare coins. Even in the face of optimistic predictions, prices realized in the three auctions, as well as activity at the A.N.A. show, managed to astound dealers and collectors alike. Record prices were the rule rather than the exception as previous highs were easily shattered in frenzied bidding. The following list is but a small sampling of the astronomical prices obtained (comparisons with previous prices for the same coins are given wherever possible):

Coin Type-Grade	Year-Price	July 1979	% Annual Gain
1894 Nickel MS (67)	1978-\$ 200	\$ 475	137%
1836 Half Dime MS (65)	1976-\$ 575	\$ 1,600	38%
1830 Dime Proof (65)	1975-\$ 1,600	\$ 5,250	30%
1804 Quarter MS (64)	1975-\$ 8,500	\$26,000	29%
1838-O Half Dollar Proof (60)	1973-\$41,000	\$62,000	7.2%
1921 Peace Dollar MS (69)		\$ 6,000	
1887 Three Dollar Gold Proof (65)	1978-\$ 5,200	\$ 8,200	98%
1864 Ten Dollar Gold Proof	1978-\$10,000	\$19,000	67%

While the entire market remains extremely strong, there are several categories that are enjoying particular success. Gold coins and silver dollars continue to perform well, while choice early type coins continue to post strong gains, continuing a climb which began more than a year ago. Gem quality Seated, Barber, and modern proof coins are showing substantial increases across the board.

While it is impossible to know exactly how strong the current market will remain, all signs point to a continuation of the impressive advances we are currently experiencing. Today's prices will undoubtedly be tomorrow's bargains. Don't pass up today's opportunities hoping for lower prices tomorrow.

# What is a Keogh Plan and how can I use one to buy rare coins?

Are you self-employed, not incorporated, and paying self employment tax? If so, you are eligible to establish a self-directed Keogh retirement plan.

A Keogh, or HR-10 plan, is a plan whereby self-employed persons can save and invest for their retirement years. A Keogh allows the participant to annually set aside up to \$7,500 or 15% of earned income, whichever is less. Should you have employees in your business with three or more years of service, a plan must also be established for them. This allows the employees of self-employed persons the same opportunity for retirement benefits as is usually offered by large corporations and government plans.

Employer contributions to an employee's plan are tax deductible in addition to being an excellent fringe benefit. Taxation on a Keogh account is deferred until age 59½ or retirement during the following twelve years. Ten year averaging is then available to those desiring a lump sum distribution. Also, all contributions and investments placed into a Keogh account are also creditor-free.

A self directed Keogh plan is one which the employer is also designated as the plan trustee. This would allow the self employed individual to specify where and how the Keogh funds would be invested. Therefore, in a self directed Keogh you could place rare coins in your plan to increase your earnings for retirement.

Any coins purchased for a self directed Keogh may be examined prior to purchase. After authorizing the bank that administers your account to purchase a coin for your Keogh plan the coin will then be retained by the bank along with other investments for your account. You may authorize the bank to sell or auction rare coins from your account at any time provided the proceeds are re-deposited back into the account.

If you think you qualify for a Keogh plan or wish to transfer trusteeship of your present account to include investments in rare coins, call our WATS line 1-800-527-6810 during business hours for consultation.

## Liberty Seated Dollars (cont'd)

1855 Proof (67) Superb! Described as "A most superb specimen. This may be the finest known" in the February, 1973, NASC Sale, which featured a complete set of Proof Seated Dollars from 1850-1873. Most known proofs are impaired. Many prooflikes have been erroneously offered as proofs over the years, thus obscuring this coin's true rarity. This lightly toned, pristine cameo will always elicit profound respect when it comes upon the market. (see color photo)	15,750.00
1857 Proof (65) Virtually superb, with a pleasing cameo contrast. Greatly undervalued relative to type coin prices. (see color photo)	7,750.00
1859-O MS (65) Nicely toned. (see color photo)	1,750.00
1864 Proof (65) A gorgeous cameo. (see color photo)	4,500.00
1865 MS (65) Virtually superb! The few mint state coins we've seen have all been very weakly struck. However, this coin is quite sharp. Extremely scarce in mint state. (see color photo)	4,500.00
1873 Proof (65) Fantastic cameo effect. Attractive, hazy toning. A superior type coin. (see color photo)	4,500.00

The creamy white devices are vividly contrasted against a backdrop of mellow gold and russet toning upon infathomally deep mirror fields. Fully struck (not all 1882 Proof Morgan Dollars are). 1889-S MS (65)	350.00
1889-CC MS (65) Deep mirror prooflike. Fully struck. Key Morgans such as this have become tougher to locate as prices have risen. With the upcoiming interest that is sure to be generated by the government's sale of it's remaining Carson City Dollars, we believe that this coin possesses great potential.	14,950.00

1893 MS (65) Popular. Full strike. (see color photo)	1,250.00
1893-S EF (48) Well struck, very lustrous. Many so-called AU pieces are not equal to this example. This coin would indeed fit nicely into any high grade Morgan Dollar set. (see color photo)	4,950.00
1893-S MS (65) Semi-prooflike. Needle sharp strike. Light, natural golden toning upon immaculate surfaces, which are free of any but the most trivial marks. Conservatively placed at the MS (65) level in deference to its extreme rarity.	
It is with great pride that Steve Ivy Rare Coin Company unveils this fabulous rarity to the numismatic world. Never before has this coin been offered to collectors at public or private sale.	
Our price represents an excellent value. In May, 1978, Steve Ivy Rare Coin Company sold an 1893-S of comparable quality for \$47,500. In November of that year, a specimen sold in a major auction sale in New York City for \$52,000.	
Our asking price is only modestly above those two records, while Morgan Dollars, as a series, have increased dramatically in popularity and value during the last year.	
The incredible investment potential of this coin is undeniable. No other U.S. coin can promise such rich results.

## ONE DOLLAR GOLD

1851-C AU (58) Sharp and lustrous. (see color photo)	1,150.00
1852 MS (65) (see color photo)	1,750.00
1853 MS (63)	695.00
1854 MS (63) Type 1.	695.00
1854 MS (65) Type 1. (see color photo)	1,450.00
1854 MS (66) Type 2. Of the precious few Type 2 Gold Dollars that survive today in conditions above MS (65), it is doubtful that any could equal this coin's phenomenally sharp strike. The date is full and bold; there is full hair detail on the Princess' brow. The luster, color and surfaces are all aesthetically pleas- ing. A rare type coin that will always be in great de- mand.	11,500.00
1854 MS (67) Type 2. Superb! Well struck, with complete hair detail and a full date. Enthralling, rich color and abundant luster. Absolutely no marks or impairments. Incredible quality for this short-lived type. (see color photo)	19,500.00
1855-D VF (35) Some luster remains. A nice strike. One of the major rarities of a series replete with challenging issues.	3,350.00
1856 MS (63)	495.00
1857-C AU (50) Nice luster, well struck. This example has a nice planchet which is quite unusual for late date Charlotte gold dollars.	1,075.00
1867 MS (67) Superb! Fully struck, with enchanting color and vibrant luster, rare in this outstanding condition.	3,950.00
1869 MS (67) Superb! Among the rarest of the Philadelphia Gold Dollars in mint state condition. Sharply struck with beautiful color, surfaces and luster. Fantastic potential.	4,500.00
1874 Proof (65) Proof gold coins of 1874 are extremely rare in all denominations. The accuracy of the scant mint- age figure of 20 pieces is supported by the virtually non-existent auction records in the last decade for a Proof 1874 Gold Dollar. This pristine specimen is a great sleeper with potential that is, in our opinion, vir- tually unmatched by any other U.S. gold coin. That's a strong statement for us to make, but it reflects our sincere respect for this important rarity. No amount of money could guarantee the location of another specimen. (see color photo)	13,500.00
1878 MS (67) Superb! (see color photo)	3,950.00
1889 MS (67) Superb! (see color photo)	2,450.00
1889 MS (69) Boldly approaches perfection.	3,500.00

## QUARTER EAGLES

1802/1 MS (65) Very rare. Well struck for the type. Ex- cellent color and luster; in fact, one of the most attrac- tive early Quarter Eagles to appear on the market in years.	24,500.00
1821 AU (50) Rare and desirable first year of type.	8,500.00
1830 AU (50)	4,950.00
1838-C AU (53) Extremely sharp, with intricate hair detail and full shield lines. Quite pleasing in all respects. (see color photo)	2,750.00

## Quarter Eagles (cont'd)

1839-C AU (50) Sharp and completely free of defects, (an unusual attribute for any Charlotte gold coin). Popular obverse mintmark. . . . .	2,150.00
1848 EF (40) Scarce and underrated date. . . . .	1,150.00
1853 MS (63) Nice color. . . . .	645.00
1856 MS (63) Sharp. . . . .	645.00

1861 MS (63) . . . . .	495.00
1867-S AU (50) Scarce. . . . .	595.00
1871-S MS (67) Superb! Quite likely the finest known of this elusive date. Our price seems reasonable when compared to the four figure prices that superb common dates have been bringing, and the recent records of Quarter Eagles in the 1880's in similar condition. For instance, an 1882 in MS (67) brought \$4,750.00 in the recent Herrman Sale (July 20-21). According to David W. Akers' research, 29 offerings of 1882's in mint state have appeared in 226 major auction sales since 1921, as opposed to only eleven mint state 1871-S's. It is also interesting to note that the average grade of all 1871-S's included in the work was a well-worn VF (36). Rarity and quality are combined in this pristine specimen. (see color photo) . . . . .	4,500.00
1877 AU (55) Beautiful toning. This issue's attractively low mintage will always be an irresistible lure to investors. Few are available to fulfill the constant demand. . . . .	1,650.00
1878 MS (65) Highly lustrous. . . . .	1,150.00
1884 MS (65) Sharply struck from richly colored ore. Semi-prooflike surfaces. A rare Quarter Eagle in beautiful condition. (see color photo) . . . . .	3,450.00
1892 MS (63) . . . . .	1,650.00
1893 MS (65) . . . . .	850.00

1903 MS (63) . . . . .	495.00
1907 MS (65) . . . . .	850.00

1867 AU (55) Lustrous and pleasing. . . . .	1,475.00
1867 MS (67) Superb! Prooflike, as are most of the very few mint state pieces surviving today. Completely struck up, with generous luster and deep, rich color. An important coin that combines unquestionable rarity with unsurpassable quality. (see color photo) . . . . .	19,500.00
1870 AU (53) Scarce. (see color photo) . . . . .	1,475.00
1878 MS (63) . . . . .	2,350.00
1879 MS (65) Dazzling, deep mirror prooflike fields contrasted by lovely frosted devices. One hundred percent fully struck. This gorgeous example could easily be confused with a true proof. (see color photo) . . . . .	4,950.00

## HALF EAGLES

1803 AU (55) Sharp. Very strong detail. (see color photo) . . . . .	2,400.00
1806 MS (65) More sharply struck than the superb coin of the same issue that was listed in our last Catalog Supplement at \$8,750.00, and sold therefrom. This pleasing example also boasts that warm, natural color that is so desirable on early gold. Bust Half Eagles of this quality seem destined for the five-figure level. (see color photo) . . . . .	7,750.00
1807 MS (67) Superb! Bust Left. Beautiful color and surfaces, with light russet toning cradling the stars, letters and devices. Wondrously well struck with no details absent. A good coin to own in today's active, quality-conscious market. (see color photo) . . . . .	11,750.00
1831 EF (45) Scarce type. (see color photo) . . . . .	5,750.00
1842 AU (50) Small letters. . . . .	575.00
1853-C MS (60) Fully struck. All Charlotte gold coins are rare in mint state. (see color photo) . . . . .	2,250.00
1854-O AU (58) Tremendously underrated. (see color photo) . . . . .	1,750.00
1856-O EF (40) Very scarce. . . . .	975.00
1856-O AU (50) Virtually unobtainable in higher grade; only EF or inferior examples have been offered at major auction sales since 1973. . . . .	2,450.00
1857-O AU (55) One of the finest known. . . . .	1,650.00
1858-S Fine (15) . . . . .	145.00
1872-S MS (63) Unheard of in mint state. Of immense importance to the serious gold specialist. (see color photo) . . . . .	4,750.00
1877-CC AU (53) Extremely scarce. (see color photo) . . . . .	2,750.00
1879-CC AU (53) . . . . .	1,150.00
1881 MS (65) . . . . .	545.00
1881/80 MS (65) Scarce. . . . .	1,250.00
1889 MS (65) An extremely rare date in this grade. In the early 70's we saw 10-20 mint state coins over a period of years, but all were terribly bagmarked and we suspect they came from a small hoard. This is the first such non-proof example we can remember seeing. . . . .	3,750.00
1899 MS (65) . . . . .	545.00

1914 MS (65) (see color photo)	1,450.00
1915 MS (60)	450.00
1915 MS (65)	1,450.00

1916-S MS (60)	875.00

## EAGLES

1844 EF (48)	2,250.00
1852 AU (50)	375.00
1854-S AU (50)	1,750.00
1865 AU (55) The highest grade of this rare date we have ever handled. (see color photo)	3,950.00
1870 AU (53) Nice luster (see color photo)	1,450.00
1873-CC AU (50) Among the finest known, the Gilhausen Sale (Superior, February, 1973) had an EF example; no finer coin has been offered since. A coin that is probably both irreplaceable and unimprovable.	6,450.00
1881-CC MS (65) Quite scarce, as are most Carson City Eagles in uncirculated condition. This example is well struck and void of any serious injuries. (see color photo)	2,950.00
1889 MS (65) The scarcest denomination of this year and mint. Because of its proximity, chronologically, to common dates, this issue has been underrated over the years. A significant price adjustment may take place in the future.	2,250.00
1892 MS (63) Prooflike.	325.00
1893 MS (65) Nice type coin.	895.00
1900 MS (67) Superb!	1,450.00
1901 MS (65)	895.00
1901 MS (67) Superb! (see color photo)	1,450.00

1911 MS (63)	750.00
1911 MS (65)	1,450.00
1911 MS (67) Superb! (see color photo)	2,950.00
1911-D MS (65) Extremely rare. One of the greatest rarities, in MS (65) condition, of this overwhelmingly popular series.	11,500.00
1912 MS (65) Beautiful color. (see color photo)	1,950.00
1914-D MS (65) Scarce. (see color photo)	2,750.00
1914-S MS (65) Nice color; well struck. The satiny surfaces are wholly lustrous and exhibit no mentionable marks. An exciting opportunity for the patient collector or a astute investor, (or for a person who is both!). (see color photo)	7,950.00

## DOUBLE EAGLES

1852 MS (63) A beautiful example of a type one twenty.	3,750.00
1854-S MS (65) Exquisite strike, surfaces and color. Only a trivial abrasion to the right of the date prevents a higher classification. First year of the historic San Francisco Mint's production. A noble rarity that would be a prized showpiece for any collection. (see color photo)	12,500.00
1859-S MS (65) Incredibly sharp and lustrous, with full stars and eagle's claws. One of the finest known. If not the best, of this rare issue. Desirable as a type coin as well. (see color photo)	7,250.00
1861 MS (63) (see color photo)	2,300.00
1867 MS (65) Scarce in mint state. Gorgeous luster and color. A very scarce type two issue. (see color photo)	1,950.00
1870 MS (63) Scarce in mint state. (see color photo)	2,750.00
1872 MS (63)	1,350.00
1872-CC AU (53) Rare this nice. Carson City gold of this era was eagerly circulated; consequently, most surviving coins are well worn, and average no better than Very Fine condition. We are pleased to offer this exceptional specimen. (see color photo)	2,750.00
1877-CC MS (65) An extremely scarce coin in Mint State. In fact, this is only the second we can remember seeing. (see color photo)	4,750.00
1878 MS (63) Type 2.	1,250.00
1884-S MS (69) Superb! An exquisite type coin, and a slightly better date. (see color photo)	2,250.00
1884-CC MS (63) Nice mint frost.	1,450.00
1888 Proof (65) Any proof Double Eagle is an important rarity on today's market. For only a type coin price, the new owner can also possess an undeniably scarcer date. (see color photo)	17,500.00
1889-CC MS (65) Scarce. Marvelous luster and strike. (see color photo)	4,750.00
1890-S MS (63) Rich color.	650.00
1892-CC MS (65) (see color photo)	2,450.00
1893-CC MS (65) Fully struck. A beautiful, exceptionally appealing example. (see color photo)	4,250.00
1896 MS (65) Scarce, even moreso than its low mintage indicates. Excellent original color.	695.00
1904 MS (65)	575.00
1904-S MS (65)	575.00
1909 MS (65) (see color photo)	1,650.00
1910 MS (65) Scarce.	975.00
1912 MS (65)	875.00
1913-S MS (67) Superb! Remarkably nice for this usually heavily abraded issue. One of the finest we've seen. (see color photo)	4,750.00
1914 MS (63) Very scarce.	875.00

## TERRITORIAL GOLD

1852 AU (55) Wass, Molitor and Company \$10 Gold, Large Head. Listed but unpriced in "Unc" in the Guide Book. (see color photo)	5,950.00
1860 AU (50) Mormon Beehive. One of the most famous and highly sought of all territorial gold coins.	9,750.00
1860 AU (58) Mormon Beehive. Incredibly, another example. Unbelievable quality for this issue. (see color photo)	13,500.00

# U.S. Commemoratives

## Mint State (63)

## Mint State (65)

This is an uncirculated coin which has a strong strike for the issue and a minimum number of bagmarks. These coins will have full brilliance, but may be naturally toned. Commemoratives are seldom found any better than this.

In short, coins which meet this grade are the finest quality available on the market.

# Steve Ivy Rare Coin Company

Dear Customer:

Welcome to our winter catalog. The rare coin market is, in a word, unbelievable. It was just last August when many people thought that rare coin prices had reached their peak. Those "high" prices now seem ridiculously low. Auction and coin show prices continue to set record after record.

In the midst of this activity, we have managed to accumulate our most extensive inventory ever. There are so many superb rarities included that it would be pointless to list them. Suffice it to say that, no matter what your collection or investment needs, we can provide you with what you're looking for.

In this market, high quality pieces often sell within a matter of minutes. After you've looked through this catalog give us a call on our toll free number (1) 800-527-6810, and tell us which coins you want us to set aside for you.

On behalf of myself and the entire staff of Steve Ivy Rare Coin Company, we would like to wish you all a very happy and prosperous holiday season.

Sincerely,

Mark B. Feld

Investment Supervisor

1847 MS (65) Not as nice as the superb example sold from our fall catalogue, but nonetheless rare and desirable. (see color photo)	2,350.00
1849- O MS (67) Superb! Undoubtedly one of the finest known examples of this issue. Most of the mintage was struck from badly worn and rusted dies, and even mint state examples usually appear no better than MS-60. This gorgeous specimen is destined for an exclusive collection. (see color photo)	5,450.00
1852 MS (69) Near perfection. Fully struck, with every detail complete. A pleasant blue and gold tone on the left half of the obverse. This coin's overall rarity is accurately indicated by its scant mintage. In this condition it is unrivaled by any example known to us. Worthy of the most elite collection. As a coin in a class by itself, it also possesses unlimited investment potential. (see color photo)	8,500.00
1855- O MS (69) Incredible! The most beautiful example of this type that anyone could hope to own. Luscious toning. Full detail on Liberty's head and the eagle's feathers and talons. (see color photo)	8,750.00

1896 MS (67) Sharp and brilliant. Not a common date, especially in this superior condition. (see color photo)	3,950.00
1897- S MS (67) Superb! Luscious, virtually perfect surfaces. Well struck, with a hint of attractive golden toning. An attractive coin whose luster and color give it instant eye appeal. (see color photo)	7,450.00
1898 AU (58)	295.00

1901- S MS (67) Superb! One of the most highly respected issues of this fascinating series. Another superb example was recently offered on the market at a major coin show for \$15,000.00. Fully struck, with no objectionable defects. A real gem! (see color photo)	9,750.00

1904- O MS (65) Perhaps the most underrated issue of the series. A careful perusal of auction appearances and price lists verifies this coin's undeniable rarity. As numismatics continues its inexorable progress toward greater knowledge and sophistication, the value and rarity of this issue will emerge as commonplace knowledge. Now is an excellent, and perhaps the only, time that a collector can obtain this rarity at a four figure price. We truly hope some foresightful enthusiast takes advantage of this opportunity. (see color photo)	8,750.00

1905 MS (67) Superb! Fully struck with alluring, light toning. Void of defects and pleasing in all respects. The rarest Philadelphia mint Barber Half in mint state, and one of the most overlooked Barber rarities of any denomination. We hate to let this one go. (see color photo)	5,950.00
1905 Proof (65) A splendid cameo. (see color photo)	2,450.00
1905- O MS (65) An above average strike for this issue, which is the most poorly produced, on the average, of the series. To locate a bonafide MS 65 example is an opportunity that the specialist can ill afford to ignore. (see color photo)	5,950.00
1906- S MS (65) Deeply and beautifully toned. (see color photo)	3,750.00
1907- D MS (67) Superb! Fully struck, with light russet toning clinging to the stars, lettering and devices. Never dipped, cleaned or mistreated in any way. A supreme type coin! (see color photo)	3,950.00

## EARLY DOLLARS

1795 MS (65) Draped Bust. Even olive and golden toning upon the most pleasing and lustrous surfaces we've ever seen on a coin of this type. Razor sharp strike, with full feathers on the eagle and intricate hair detail on Ms. Liberty. All stars are sharp, as are the folds of the drape. An immensely pleasing coin, and of utmost importance to the advanced type collector. (see color photo)	44,500.00
1799 AU (50) Extremely pleasing, no problems	2,750.00

## Early Dollars (cont'd)

1801 Proof (67) Superb! A shocking, dazzling, intricately detailed numismatic masterpiece! Representatives of this early type, even in mint state condition, are usually replete with problems—weak strike, adjustment marks, planchet defects. Certainly no business strike (which are extremely rare in uncirculated condition) could compare with this coin. None of the less than ten known proofs could exceed the condition of the piece presently offered.

Ten pieces may be a very optimistic estimate of the number of pieces extant. Some experts state that only 10 to 12 examples of all three dates of the Proof dollars (1801, 1802, and 1803) are known. Walter Breen, a recognized authority on early proof coinage, implies that the 1801 is the rarest of the three dates. Without a doubt, the 1801 is rarer in proof condition than the fabled 1804. The extreme rarity of the earlier Proof dollars, ironically, has prevented their widespread publicity and has deprived many collectors of the knowledge of their existence.

We sincerely feel that this coin, considering its unique combination of rarity, quality, and beauty, is one of the most exciting items available on the numismatic market today. Since six-figure prices for coins are no longer unusual (e.g. the Brasher Doubloon, 1804 Dollars, the 1907 Indian Head Double Eagle—and more on the way in upcoming sales), we feel our price is not at all unreasonable. In fact, when one analyzes the performance of high quality coins over the last few years, our price is entirely justifiable.

This fantastic coin will forever elicit awe and reverence from those who are fortunate enough to view it. When and if it returns to the numismatic marketplace, it will command a degree of respect and attention that is accorded only to a small and select group of great rarities. 1865 S MS (65) A great gold rarity in mint state condition. The combined research of Dave Akers' work on Quarter Eagles and the comprehensive auction records of Rome's Prices Realized reveals only five mint state specimens offered since 1921! The average grade of 1865-S Quarter Eagles is only VF-25. This sharp and lustrous specimen represents an opportunity that may not be soon repeated (see color photo)	6,450.00

## Quarter Eagles (cont'd)

1871- S MS (67) Superb! Quite likely the finest known of this elusive date. Our price seems reasonable when compared to the four figure prices that superb common dates have been bringing, and the recent records of Quarter Eagles in the 1880's in similar condition. For instance, an 1882 in MS (67) brought \$4,750.00 in the recent Herrman Sale (July, 1979). According to David W. Akers' research, 29 offerings of 1882's in mint state have appeared in 226 major auction sales since 1921, as opposed to only eleven mint state 1871-S's. It is also interesting to note that the average grade of all 1871-S included in the work was a well-worn VF (36). Rarity and quality are combined in this pristine specimen (see color photo)	4,500.00
1877 AU (55) Beautiful toning. This issue's attractively low mintage will always be an irresistible lure to investors. Few are available to fulfill the constant demand. (see color photo)	1,650.00

1872 AU (53)	1,850.00
1879 MS (65) Rich, warm color; exuberant luster radiates through the translucent toning blanketing the semiprooflike surfaces. Fully struck. (see color photo)	7,750.00
1885 MS (65) A stunning prooflike example of this rare and desirable date. As sharp as any Three Dollar Gold Piece could be. No mentionable defects of any type. (see color photo)	8,950.00

## FOUR DOLLAR GOLD

1880 Proof (67) Flowing Hair. An exceptionally beautiful example of this great American gold rarity. Akers states that approximately 25 1880 Flowing Hair Stellas are known. This means that it is 12 to 15 times as rare as the 1879 Coiled Hair. Since an 1879 of this quality would bring well over 40,000, we feel that this piece represents a tremendous value on today's quality conscious market. Proof gold coins are beginning a tremendous surge in popularity, as are superb gold type coins. This Stella combines the best of both of those worlds. (see color photo)	79,500.00

1859- C EF (40)	595.00

1867 AU (58) Somewhat prooflike. Akers has seen a couple of AU pieces but never one with any legitimate claim to mint state. Rome's list only one AU and no mint state pieces in major auction sales since 1972! Obviously one of the finest known. (see color photo)	1,950.00
1871 AU (53) Unverifiable in mint state. Sharp and lustrous, with considerable prooflike surfaces. (see color photo)	1,150.00

Knowledgeable numismatists are well aware of the fact that the Indian Half Eagle is the most challenging of all Twentieth Century gold type coins to find in superb condition. These wholly original, fully struck, pristine pieces are sure to find new homes quickly, so a phone call to reserve your specimen is suggested. (see color photo)	2,950.00

1915- MS (63) (see color photo)	795.00

# Before you rush into the commemorative boom, rush into this great new book.

## A Comprehensive Guide to United States Commemorative Coins.

**The most complete authoritative  
reference book ever published  
on U.S. Commemorative Coins.**

Compared to other rare coin opportunities, collecting and investing in U.S. Commemorative Coins was last on the numismatist's list. But now, all that has changed: during the last year or year and a half, commemorative coins have been generating an unexpectedly high degree of interest and enthusiasm among collectors from coast to coast. The result is a booming new market for you to enter and profit from. But before you do, it would be wise to first invest in the one book that can turn your commemorative coin collection into a commemorative coin bonanza.

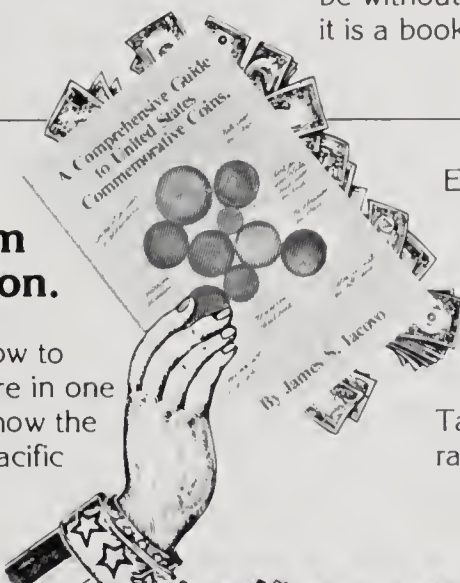

## The book that puts it all together.

Mr. Iacovo spent two and a half years undertaking the difficult and time-consuming task of preparing a book that covers everything an aspiring or accomplished numismatist needs to know about U.S. Commemorative Coins. The book defines, in precise terms, what constitutes MS60, MS65 and MS65+ commemorative coins. It covers in detail all aspects of grading, specific surface peculiarities, luster and abrasions. Its pages reveal facts that tell you about pricing, pricing premiums and pricing trends. Included are many charts, coin evaluations and Mr. Iacovo's special "Buying Tips" that combine to make this major work the most valuable and useful ready-reference source on U.S. Commemorative Coins you can own. It is a book no numismatist should be without. And, if you collect commemoratives, it is a book you cannot be without.

## A Commemorative Guide is a compendium of profitable information.

Virtually everything you need to know to make the most profitable decisions is here in one easy-to-use reference source. Need to know the history of the retail price for a Panama-Pacific

Exposition Gold Dollar? Your **Commemorative Guide** has the answer. What should you look for when inspecting a York Half Dollar? Your **Commemorative Guide** tells you.

Aside from the reference pricing charts, individual coin evaluations and thorough index are the well-researched and intelligent Statistical Tables on both Silver and Gold U.S. Commemorative Coins. No critical area is left undiscussed.

# Revolutionary War Note Portfolios

Over 200 years old! Because of the rarity of American Revolutionary War documents, we have only fourteen Portfolios — making these very valuable collector's items.

Each of the Portfolios is a thought provoking collection of seven Monetary and Contractual Notes and Agreements, Bills and Bills of Lading, and Checks issued by the War Department. Included in the Portfolios are interesting and informative descriptions of each note and the historical background of many of the signers. Some Portfolios even contain the signatures of men who signed the Declaration of Independence.

The Portfolios are protected and preserved for the coming years in a beautiful Webway® bound album which is

handsomely gold stamped with your family name. Each of the fourteen American Revolutionary War Note Portfolios comes with a certificate of authenticity from the Steve Ivy Rare Coin Company.

**Steve Ivy Numismatic Auctions, Inc.**

# **We get you the highest price for your money.**

**When you sell a coin, there's just one thing you want: the highest price possible.**

**To get the highest price possible, there's just one consistently reliable source to turn to: Steve Ivy Numismatic Auctions, Inc.**

**Our goal is to produce, time after time, the one thing you're interested in: the highest possible prices for your coins.**

**To do that, Steve Ivy Numismatic Auctions goes wherever the money is.**

**Through the most professional and sophisticated merchandising and advertising program in the numismatic industry.**

With advertisements in Coin World, Barrons, The Wall Street Journals. Ads that reach buyers everywhere. Ads that sell your coins. Ads that increase the number of mail and floor bidders to give you the best chance of realizing the highest possible prices.

With all-color auction catalogs sent to thousands of buyers across the nation. We were the first and are still the only auction company to produce all-color catalogs. Color highlights your coins, attracts the eye of the bidder and brings out details that might pass unnoticed in a black and white catalog. Color gives your coins a much better chance of selling at the highest possible prices.

With CompuBid™, a Steve Ivy Numismatic Auctions exclusive. CompuBid™ is a highly advanced computerized innovation that allows each bidder to maximize his bidding dollars. Again, CompuBid™ is still another Steve Ivy Numismatic Auctions, Inc. feature that helps you to realize the highest possible prices for your coins.

With ads. With all-color catalogs. With new ideas like CompuBid™. With the most effective mailing list in the numismatic marketplace. Getting to the most interested buyers in the country with your coins. Because that's where the money is... for you and us.

**Through consistent, highly comprehensive, well structured, unreserved auctions.**

Many auction houses have auction sales that are cluttered with multiples and are assembled in an unorganized and cluttered manner. Oftentimes, your coins are graded by several different people, thereby eliminating the consistency which is so important to a successful sale. These facts hurt your chances to compete effectively for the highest possible prices. But Steve Ivy Numismatic Auctions are managed much better. They are intentionally structured, well organized and consistently graded to create the optimum buying environment for your coins. Our auctions are realistically competitive, resulting in the highest possible prices realized for you. Our auctions are also unreserved, so more bidders will participate to give you a better chance of obtaining the highest prices possible.

At every Steve Ivy Numismatic Auction, we put competition to work for you — not against you. Because that's where the money is... for you and us.

**Through major city auction lot displays.**

In addition to showing your coins to thousands of buying eyes in our ads and all-color catalogs, Steve Ivy Numismatic Auctions puts your coins on display in at least one major coin show in a major city before they go to auction. This way, still more people will be able to see your coins, increasing the number of bids and increasing your chances of obtaining the highest prices possible.

From New York to Chicago to Dallas to Los Angeles, we show your coins in major cities. Because that's where the money is... for you and us.

**Through short consignment cut-off dates and timely cash advances.**

Because we manage our company as efficiently as we manage our auctions, and because we send all our catalogs by

first class mail, we can offer you a consignment cut-off date that is very close to the date for the actual auction. And if you need money in a hurry, we'll make generous cash advances to you before we put your coins in auction. This means your coins will be in our possession for the shortest period of time, and you'll have the money to use.

Short consignment cut-off dates and cash advances. Because that's where the fastest money is... for you and us.

**If you want the highest prices for your money, then you have to go where the money is. And the money is with us.**
